

Monday 23rd March

Staff are making contact with all parents and carers today. They are ringing to maintain contact, support home learning and offer reassurance during this difficult time.

All staff are available on email from 9am until 3pm. You can also ring the school number if you need to.

Information for families with children entitled to free school meals will be available when we know more.

Thank you to ALL families who are following the sensible Government advice and keeping their children at home where they are safest.
