Hello Everyone!

I hope you are all managing to keep busy. I have heard some fantastic reports about the helpful things a lot of you are doing at home which is really important at a time like this.

I know it is difficult when you are missing your friends – we are all missing seeing people we normally have contact with. Keep in touch with them in other ways – text or FaceTime them if you are feeling sad.

Have a look at our Facebook page too – Mrs Smith has posted a great recipe on there that we can all try. I will post my picture on there later!!!

Enjoy the sunshine and keep smiling!!!
