

KEY STAGE 4 SCIENCE

AQA ENTRY LEVEL CERTIFICATE SCIENCE (5960)

COMPONENT 1 - BIOLOGY

The human body

Externally-set assignment (ESA) – short written test, worth 20marks

Teacher-devised assignment (TDA) – short piece of practical work, worth 15 marks

COMPONENT 2 - BIOLOGY

Environment, evolution, and inheritance

Externally-set assignment (ESA) – short written test, worth 20marks

Teacher-devised assignment (TDA) – short piece of practical work, worth 15 marks

COMPONENT 3 – CHEMISTRY

Elements, mixtures, and compounds

Externally-set assignment (ESA) – short written test, worth 20marks

Teacher-devised assignment (TDA) – short piece of practical work, worth 15 marks

COMPONENT 4 – CHEMISTRY

Chemistry in our world

Externally-set assignment (ESA) – short written test, worth 20marks

Teacher-devised assignment (TDA) – short piece of practical work, worth 15 marks

COMPONENT 5 – PHYSICS

Energy, forces, and the structure of matter

Externally-set assignment (ESA) – short written test, worth 20marks

Teacher-devised assignment (TDA) – short piece of practical work, worth 15 marks

COMPONENT 6 – PHYSICS

Electricity, magnetism, and waves

Externally-set assignment (ESA) – short written test, worth 20marks

Teacher-devised assignment (TDA) – short piece of practical work, worth 15 marks
