Science Department

Key Stage 4

Qualifications and Revision Guidance

Pupils in key stage 4 have the opportunity to gain 2 qualifications over years 10 and 11 in Science.

- AQA Entry Level Certificate (ELC) in Science
- AQA GCSE Biology

Pupils studying **ELC Science** must submit a portfolio of work that contains;

- 3 externally-set assignments (short written test taken in class)
- 3 teacher-devised assignments (practical work and written report completed in class)

All portfolio work for ELC Science must be completed in school.

Pupils studying **GCSE Biology** are required to sit 2 exam papers at the end of key stage 4.

Suggested revision to complete at home for GCSE Biology

Website - bbc.co.uk/bitesize

- choose secondary
- choose England GCSE
- choose Biology single science
- choose AQA

This website lets you choose a topic, you can then choose to read through some content and take your own revision notes, you can watch a video, you can have a go at a practice question and then reveal the answer so you can check your understanding or you can take a test that will give you feedback at the end.

Please do not hesitate to contact me at school if you require any further assistance.
