

Good Morning

Staff will be asking you when they call today or tomorrow if you would like to continue the contact with them over the Easter holidays. Please feel free to say no if you like!! We don't want to bother you if you would rather we leave you alone, but also know that some families will welcome the support.

Some of you are wondering about what will happen after the Easter holiday. The truth is we are not entirely sure. More details will follow as soon as I do know the plan and we will communicate via text, Facebook and the website.

Stay safe and keep well

Claire Crowley
