Dear Parents/Carers,

As you are aware, the government announced on Monday 4th Jan 2021 that the country would be going into national lockdown to try and limit the spread of the new variant of Coronavirus.

School is closed to all pupils on Tuesday 5th January 2021 to enable staff to contact all families and put plans in place for the coming weeks.

Every pupil at The Rose has an EHCP, but not every child is vulnerable or at risk at home. If every child took their place, we would not be able to minimise the risks of transmission in school even with facemasks, hand washing and social distance.

During contact with families today, most have expressed their wish for their child to stay at home where they are safest.

We will support this request by providing remote learning for pupils and maintaining regular contact with families. A small number of pupils will attend school on site. They will access the same remote learning as the pupils at home.

Timetables will be available on Monday 11th January 2021 and we will also share more details about how learning will be planned from that point.

In the meantime, there is lots of work already on Google Classroom and packs are being posted out.

Thank you for your support.

Regards

Mrs C Crowley
Head Teacher
